I met with Rev. Longear, who is pastor of the M. E. church at Bismarck. He served last year as pastor of the Williamsville church. I have often read his articles in the Greenville Journal and I enjoyed them very much. I am truly glad I met him. I understand the church at Bismarck has grown very much under his charge.

I am very sorry to hear of the serious illness of my old friend John Hunter of Bismarck. He formerly owned a farm near Patterson. His son, John, who is President of the Hunter Manufacturing Company at Bismarck, is quite sick with nervous prostration. I had it once myself. I know how to sympathize with him.

I took supper with Dr. Eaton at the Irondale Hotel. He has a wonderful practice. He is a fine doctor as well as a good business man and he is a power in politics. If I was running for office I certainly would try to get on the right side of Doctor Eaton.

I met Judge Lucy quite often on the train. He is the busiest man I know.

C. S. Fitz shipped 47 cars of ties last week. He had three inspectors and gave one merchant a three thousand dollar check.

I notice the announcement of John B. Gordon for State Auditor. He has filled the office with satisfaction to everybody. I don't know a man harder that will oppose him. He has done a great deal for the Confederates in getting them a pension. Every Confederate Soldier should not only vote for him but work for him.

I was surprised that Iron county and the State of Missouri endorsed Governor Major for Vice President. It is nothing but a political trick to get Major out of the way of Senator Reed. When it comes to the convention Major's name will not be mentioned. He will not be a foot high.

I was talking with my friend, J. C. O'Neal, at Irondale last Friday. He tells me he and his wife will start about July 1st in their automobile on a tour out west. They will go to Pueblo, Colorado, Salt Lake City, and visit the most interesting points. They will be gone three months.

Our District is going to vote on a new school building at the regular election on April 4th. We hope our citizens will get together and decide on a location as we certainly need a building. Any of our patrons that visit our school and see how the children are crowded and the poor conditions which the teachers have to contend with can readily see that we are in need of a building. It is very necessary to crowd a lot of children up in a stuffy room. It is very injurious to their health and the parents should take enough interest on election day to come out and show their colors and vote for a new building. Judge Stevenson has offered them a beautiful lot and I think it the best location they could get. So, let us all work together and buy this lot and put up a building that Des Arc

will be proud of, and when visitors come to our town let us not be ashamed to show them our school building. As it is we have an old building that our ancestors built and our rising generation deserve better advantages and later improvements. Let us move with the energy that our sister towns have in the last few years and put up a building of modern style. Our children need the best, and it is up to our citizens to see that they get it. And as some of our citizens have been sleeping so long they need to wake up and do something. So come out on April 4th and help to get this new building.

Mr. Lee Duncan, son of Mr. and Mrs. Bill Duncan, of Brunot, and Miss Emily Davis, daughter of Mr. and Mrs. Irvin Davis, were married at the home of the bride on Sunday afternoon, Rev. K. P. Foust officiating. We wish them much joy and happiness on their wedded journey through life.

We are very sorry to report the serious illness of Uncle Burl Hickman. He has many friends here who are anxious for his recovery.

Visitory Tucker, who has been ill of blood poison, is improving. Glad to hear of so many new people moving in among us. A family whose name I have not learned, came in from Kansas last week and are occupying the cottage owned by Jas. Lovelace, until they can get possession of their farm near Vulcan.

Mrs. M. Ruble and Mrs. Maggie Cooper and children from Piedmont were here last week to visit relatives.

Mrs. Mamie White went to Ironton Thursday.

Wm. Hughes and wife went to Ironton Monday. The latter will visit several days with her sister, Mrs. John Polk.

Horace Morris from Kensett, Ark., was here last week to visit relatives.

Mrs. Charles Williams has returned from a visit with relatives in Louisiana and Texas.

Dock Davidson and Albert Fahlm spent Sunday at Pilot Knob with relatives.

Miss Ethel Miller went to Ironton Thursday.

Alvin Wallis has moved his family on College Hill.

Harber Stevenson from Irondale spent Sunday at home.

John Kelly has purchased a fine horse from Jesse Hawkins at Ironton.

Mrs. Wesley Stevenson accompanied her two sons, Mont and Cicero, to Taskee Sunday, where she will visit with them and her other boys who are in business there.

Rev. K. P. Foust left Sunday night to visit his family in Amory, Miss.

He filled his regular appointment here Sunday and preached to a large congregation Sunday night. He will engage in a revival here beginning the second Sunday in April.

Mrs. N. B. Henry came down from Arcadia Monday to meet with the ladies of the W. C. T. U. They have a strong union here now of thirty ladies. They met at the home of Mrs. E. W. Graves Monday, and with Mrs. E. White Tuesday.

(An itemized statement in the nature of a tax bill showing the amount of taxes, interest and costs now due on said real estate for the years aforesaid, amounting in the aggregate to the sum of four and 03-100 dollars, is filed with said petition as provided by law.)

And unless he be and appear at the next term of said court to be holden for the county of Iron, and State of Missouri, at the court house in said county on the fourth Monday in April next, 1916, and on or before the third day thereof (if the term shall as long continue; and, if not, then before the end of the term), and plead, answer, or demur to said plaintiff's petition, the same will be taken as confessed, judgment rendered in accordance with the prayer of said petition and said real estate, or so much thereof as may be necessary to satisfy said judgment, interest and costs, be sold under a special fieri facias to be issued thereon.
